ral parties. At last she cered to attend .- must diff, r with him sor were to do so, that my friends who had fallen ver." Are there no Judas Iscariot's now? in this war would appear before me, as did the ghost of Banquo before the guilty Mc beth, and "would not fall down at my bid

Here let me remark, lest I be misunderstond. that there is a clear distinction between those that there is a clear distinction between those that there is a clear distinction between those the batteries who acted under coercion and false motives of Nashville district in Congress and was at the time of lair stand up, give and take naval light only at the junction of Deer Creek with Sandower only at the junction of Deer Creek with Sandower only at the junction of Deer Creek with Sandower. policy, and those who acted with the enemy of his arrest a State Senator. Judge Marchbanks has ing voluntarily and treated them as intimate court. White imprisoned, they were tendered an friends. The latter class are the ones to whom the court whereby they might return to their families upon condition that they would in an manner and From KEF WEST—CAPTURE OF THE PETERBOFF. I have alluded and to whom my remarks apply. You have heard of the noble reply of the wife of a distinguished Senator in Columnia to whom my remarks apply. You have heard of the noble reply of the wife of a distinguished Senator in Columnia to whom my remarks apply. You have heard of the noble reply of the senator in Columnia to whom my remarks apply. You have heard of the noble reply of the senator in Columnia to whom my remarks apply and through the reward of the noble reply of the senator in Columnia to whom my remarks apply and through the resolutely bia, to Gen. Negly when he had her husband under arrest. She told him that her husband did not intend to take the oath, and she would rather he would remain a prisoner all his life the Federal ho pital at Indicapells, before he sent than to do so. This was the true Southern spirit. I could give many instances illustrating the devotion of the ladies of Tennessee to the Confederate cause. I never heard of a lady refusing Confederate money. They are willing to risk all on our cause. They do not prize money more than they do the blood of their children. I wish I could say as much for all the men in the country. I must in these cate that Brig. Gen. W. B. Bate is assigned letters, which are intended to give a faithful to active duty in the field, and has gone to the front, in command of the late Gen. Rains account of the condition of things, say that no Pennessee Brigade. It nobly sustained Ten people in the whole Confederacy are manifest pessee is ancient renown at the battle of Muring more whole-souled hospitality than are treesboro, and we are sure, under tien. Bate sunt investi. the people of Tennessee at this time. Every and his Staff, it will, when the opportunity presents itself, equal if not surpass its former man's house almost is the home of the soldier. They are sharing with them the bread and the meat they need to feed their own families. They make no distinction between soldiers from different States. The Texian the Mississippian, the Alabamian and the Tennessean are alike hospitably entertained, often "without price." They do not return railing for railing, but good for evil, and feel that all soldiers who are fighting to and feel that all soldiers who are fighting to defend their homes are their friends. The callantry of Tennessee soldiers in the field, is only excelled by the hospitality of Tennessee citizens at home. Here I will take occasion to sav, that often reports as to what was done last year in Tennesses, are erroneous, and cal- They couldes being hearth tired of King culated to produce false impressions. It was Abraham's dominion. - Shellyville Rebet Banstated, for instance, that one of the ablest and most distinguished lawyers in Columbia, who is now a private in our army, was making Illinois in the German settlement, last week union speeches. How this report originated gave birth to four children. - Yankee paper.

ished from his home and his family, under penalty of being treated as a spy, if ever found within the Federal lines, had joined the union he voluntarily joined our army as a pri- ent to furnish the following summary: vale, and now has the reputation of being one f the best soldiers at Port Hudson.

Another instance I will mention to show how erroneous reports get in direulation, and now little we ought to rely upon mere rumor PATRIOTISM OF TENNESSEE LADIES-INJUSTICE OF when it affects character. A distinguished citizen of this place, who has three gallant This place suffered severely from the Yan- boys in our army, and who is as true a Southkees last year. They burned the South side ern man as anybody, was reported to have sold of the public square, and a number of houses his cotton to the Yankees, when in fact he sold Rosecrans. on one of the streets.
